Legendary Cuisine.

Reata Restaurant is proud to present the "Reata at the Backstage" private club. Since 2002, Reata has operated an on-site restaurant during the run of the Rodeo in the Amon G. Carter, Jr. Exhibits Hall. "Reata at the Rodeo" will continue to serve lunch and dinner during the run of the 2009 show.

Overlooking the coliseum, the Stock Show's Backstage Club has an extensive history of dining and social gathering for more than 50 years. The popular club has been frequented each year by politicians, movie stars and other celebrities enjoying an experience that can only be found in the Will Rogers Coliseum.

Reata has tremendous respect for the legendary history that the Backstage Club brings to the Rodeo each year. It's our wish to showcase the Rodeo's past through well-preserved renovations with additional authentic western décor. Our goal is to pair the tremendous legacy of the Stock Show with the familiar comfort of Reata. Enjoy your visit and we hope to see you again soon.
