Legendary History.

Reata, Spanish for "rope," is named for the majestic ranch in the 1950's epic movie "Giant," starring James Dean, Rock Hudson and Elizabeth Taylor. Based upon the famous novel by Edna Ferber, this legendary movie uniquely symbolizes the strength, spirit and excitement of the legendary days of the wide-open west.

Simply put, the first Reata Restaurant started when a hungry west Texas rancher had a hankerin' for some really great food. Al Micallef, owner of the CF Ranch, took his hunger into his own hands and in 1995 opened the first Reata Restaurant in Alpine, Texas. From Alpine grew the nationally renowned original Fort Worth location which first opened in 1996. In 2000 the Reata located on the 35th floor of the Bank One Tower survived one of the most destructive tornadoes in U.S. history. Our crowning glory, Reata at Sundance, re-opened in the heart of downtown Fort Worth in May 2002. You can bet your boots we're making plans to roll out more Reatas around the country real soon!
