Menu Selection

Reata recommends that all parties of 20 or more pre-select a menu. Specific meal selections within the guidelines need to be submitted to the Private Dining Director one week prior to your event. Typically, a group menu would include one salad, up to three main entrees and two desserts. For questions regarding your specific menu, please ask your Private Dining Director. The menu selections will be from the restaurant menu.

Holds, Confirmations and Cancellations

To confirm your reservation, we require a signed contract with a credit card guarantee. The credit card is used to guarantee the reservation, and will not be charged unless the reservation is cancelled within three days prior to your event. At that time a cancellation fee will be charged based on your specific reservation (noted on your Private Dining Contract).
