WELCOME TO REATA

Reata, Spanish for "rope," is named for the majestic ranch in the 1950's epic movie "Giant," starring James Dean, Rock Hudson and Elizabeth Taylor. Based upon the famous novel by Edna Ferber, this legendary movie uniquely symbolizes the strength, spirit and excitement of the legendary days of the wide-open west.

Simply put, the first Reata Restaurant started when a hungry west Texas rancher had a hankerin' for some really great food. Al Micallef, owner of the CF Ranch, took his hunger into his own hands and partnered with Fort Worth businessman Mike Evans in 1995 and opened the first Reata Restaurant in Alpine, Texas.

From Alpine grew the nationally renowned original Fort Worth location – a survivor of one of the most destructive tornadoes in U.S. history. Now, the same beloved building Reata first called home, is once again our home. We're proud to be back where it all began, this time planting our boots firmly on the ground level. It's been our distinct pleasure serving the fine folks of Alpine and Fort Worth over the past three decades and we look forward to many more great years to come!

Thirty years ago, our no longer hungry in West Texas Rancher set out to bring something truly special to the heart of Fort Worth. What began as one man's hankerin' for great food has grown into three decades of unforgettable experiences with the kind of Texas hospitality that keeps folks coming back. To honor our three decades of legendary hospitality, we are proud to introduce our anniversary signature cocktail; The Cassidy. A bold Texas spin on a Mexican Martini that is every bit as spirited as the restaurant it celebrates.
